Manifesto

- We believe that everyone deserves access to high-quality IT education, regardless of high background or financial situation.
- We are committed to providing free online learning resources and consultations that are accessible to everyone, everywhere.
- We believe that the IT industry should be more inclusive and diverse, and we are working to make that happen by providing free resources and support to students and professionals from underrepresented groups.
- We are passionate about using IT to solve real-world problems and make the world a better place.
- We are building a community of learners and educators who are committed to making the IT industry a more inclusive and impactful place.
